Thank you for inquiring about our apartment complex. We would love to show you all that our community has to offer!

Our property hosts a total of 160 apartments, with a variety of one, two and three bedroom units. We provide beautiful landscaping with a panoramic view of the Ashland hills and a convenient location which places you about 10 miles away from Mt. Ashland, less than a mile away from Southern Oregon University and about 5 miles away from historic downtown Ashland. We are proud to have a professional, on-site management staff who are available to you 24 hours a day for your convenience.

Our goal is to make your living experience here in Ashland a pleasant one. We are close in proximity to schools and shopping and are right on the public transportation route. We have two clean and accessible laundry rooms. Please come by and let us show you around or call with any questions you might have.

Thank you,

Don and Lani Graven  
Resident Managers
